

Q. Why become an NCNW Member?

A. The only requirement for joining the National Council of Negro Women, Tampa Metropolitan Section, is that you have a willingness to serve.

NCNW Membership offers an opportunity for a diverse group of Africa America women to sit at a common table and pool their strengths to resolve common issues for the mutual benefit of all.

NCNW Membership offers opportunities to serve and "give back" to the community within a service minded group which provides a sense of enrichment and empowerment, knowing that our many fingers together delivers a powerful blow to the ills that plague our communities, thereby effecting positive change.

So, if you are looking for an organization that encourages personal growth and you accept the challenge to enhance your community through service, then this is the organization for you.

Q. How do you become a member?

A. National dues are \$30.00 and Local dues are \$25.00. Please see Application for more information.
